**CITY OF MERIDEN
POLICE DEPARTMENT
UNIFORMS AND EQUIPMENT
RFP021-01**

GENERAL SCOPE

The City of Meriden is seeking proposals for the purchase of authorized clothing and uniforms for its members as well as certain authorized accessories and equipment for the Meriden Police Department. This proposal shall include scheduling fittings and delivery for all shifts.

The Meriden Police Department employs approximately 120 officers, approximately 30 Crossing Guards and 3 Meriden Parking Authority employees. Currently, each Officer has an annual credit of \$550.00 to be used toward uniform/equipment replacement. The annual credit is paid directly to the Vendor by the Meriden Police Department. Typically, if it is only one officer, arrangements can be made so the vendor is not required to come to the Police Station. For multiple new recruits, the vendor will be expected to come to Meriden to fit each officer. The Meriden Police Department currently has 5 recruits in the academy and currently seeking 10 additional new officers.

The awarded vendor will be responsible for obtaining Patches. This must be included in the price of the items of clothing that require a Patch. The Meriden Police Department uses a Patch that is typical of most other Police Departments. The Meriden Police Department will provide only the awarded vendor with a sample of the Meriden Police Department Patch.

AWARD PROCESS

1. Price will be one of several components in the selection process.
2. Proposed level of service. The selected vendor will be required to come to the Police Department to take measurements of all the officers, including those on 2nd and 3rd shift, as needed.
3. Delivery. All items ordered shall be shipped and delivered within 30 days of such order. Many elements of the Meriden Police Department uniform are standard and it is expected that these items will be in stock. Repeated delays may be cause for early termination of agreement.
4. Quality. The Meriden Police Department will identify the various articles of clothing by brand name. With the exception of bulletproof vests, for which no substitutions will be acceptable, the brand name is listed as an indicator of the quality expected. If, in some cases, no name brand is specified, a manufacturer of quality equivalent to those listed on other items should be used. If there are questions about a level of quality, specify both. The City will work with the awarded vendor to review samples of clothing to determine quality levels. The Meriden Police Department reserves the right to give approval to any item provided by the vendor, with regard to type, style, quality, construction, brand, and may reject any item which fails to meet department standards.
5. Interview. Proposals will be reviewed and evaluated by a selection committee of City staff members. The City will evaluate the proposals using the above criteria. If deemed necessary by the City, a proposer may be invited to interview with the City's selection committee. The City reserves the right to finalize the selection by negotiating with one or more of the top ranked proposers. In any case, final selection will not necessarily be made on the basis of fee alone, and the City reserves the right to award to other than the lowest submitted fee proposal, to negotiate terms and fee with the selected proposer or to reject all proposals. Those vendors who are invited to the City for an interview will be expected to bring in the actual shirts, pants and jacket that have been proposed.

See attached spreadsheet (Attachment A) with all required items listed.

CONTRACT TIME AND EXTENSIONS

This is a two year award. This Agreement may be extended for up to three (3) additional one (1) year terms upon mutual agreement of the parties, no later than 30 days prior to contract end date, for a total contract period not to exceed five (5) years.

PROPOSAL REQUIREMENTS

Four (4) sets of sealed proposals, including one (1) signed original and one (1) flash drive, must be received by **October 27, 2020** at **11:00 AM**. The City of Meriden reserves the right to award in part, to reject any and all proposals in whole or in part, or waive technical defects, irregularities, and omissions if, in its judgment, the best interest of the City of Meriden will be served.
